WORKSHOP HOSTING

Zepp Wellness is now accepting proposals from professionals & individuals interested in hosting their workshop with us to distribute professional CE's to their attendees.

The price of attendance is set by the workshop presenters (tiered, sliding scale, etc.) We require a \$100 minimum profit from the workshop to cover Zepp admin labor. Once the \$100 threshold is surpassed the profits will be divided as follows: workshop presenters 80% and Zepp Wellness 20%. Zepp will manage sign-ups, follow up, certificate creation & distribution, and record keeping; we will also promote the workshop on all social media accounts, as well as our monthly newsletter.

Email us your proposals at thezeppwellnesscenter@gmail.com, please include your name, organization affiliation (if any), position, title of your prospective workshop and a date/time that you would be available for a meeting with the team.
